PROFESSIONAL SUMMARY

I am a Computer Science graduate with a National Diploma from Federal Polytechnic Offa and hands-on experience in web design, HTML, CSS, Bootstrap, and Python. I hold a professional web design certificate from Softrays Tech and am currently advancing my studies in Cybersecurity at Miva Open University. I have practical experience building and managing digital systems, creating content, and teaching computer skills — all of which have strengthened my ability to communicate clearly, work in teams, and solve real-world problems. I am a fast learner who is eager to contribute to live software projects and grow within a forward-thinking technology organisation.

EDUCATION

Miva Open University

B.Sc. Cybersecurity (In Progress) | Expected: June 2028

Federal Polytechnic, Offa

National Diploma — Computer Science | Graduated: September 2024

Softrays Tech
